### PERSONAL INFORMATION

DATE OF BIRTH: September 23, 1977  
PLACE OF BIRTH: İzmir - Turkey  
CITIZENSHIP: Turkish

---

### ACADEMIC QUALIFICATIONS

Ph.D., Mathematics. Middle East Technical University, Ankara, Turkey, 2007  
Dissertation: “Barely Transitive Groups”  
Supervisor: Prof. Dr. Mahmut Kuzucuoğlu

M.S., Mathematics. Middle East Technical University, Ankara, Turkey, 2002  
Thesis: “Strongly Residually Finite FC-Groups”  
Supervisor: Prof. Dr. Dr. Mahmut Kuzucuoğlu

B.S., Mathematics. Middle East Technical University, Ankara, Turkey, 1999

---

### PROFESSIONAL EXPERIENCE

- *Instructor, Atılım University Department of Mathematics (2007- )*.
- *Teaching Assistant, Middle East Technical University Department of Mathematics (2002-2006)*.
- *Research Assistant, Middle East Technical University Research Coordination Office (1999-2002)*.

---

### COURSES TAUGHT

- Basic Logic and Algebra (for Mathematicians - Atılım University)
- Linear Algebra (for Engineers - Atılım University)
- Calculus I (for Engineers - Atılım University)
- Calculus II (for Engineers - Atılım University)
- Extended Calculus I (for Engineers - Atılım University)
- Extended Calculus II (for Engineers - Atılım University)
- Calculus I (for Management and Economics Students - Atılım University)

---

### PUBLICATIONS

1. *Description of Barely Transitive Groups with Soluble Point Stabilizer* (with M. Kuzucuoğlu)  
Communications in Algebra 37, 2009, 1901-1907.

**CURRENT RESEARCH INTERESTS**

---

- Locally Finite Groups
- Barely Transitive Groups
- Inert subgroups and totally inert groups

**CONFERENCES AND WORKSHOPS**

---

- XXII. National Math. Symposium, Matematik Köyü, İzmir, Turkey 31 Aug - 3 Sept. 2009
- Groups St. Andrews 2009, Schotland, England 1-15 Aug 2009
- Antalya Algebra Days XI, Antalya, TURKEY 20-24 May 2009
- XXI. National Math. Symposium, Koç University, İstanbul, Turkey 1-4 Sept. 2008
- Antalya Algebra Days X, Antalya, TURKEY 28 May-1 June 2008
- XX. National Math. Symposium, Atatürk University, Erzurum, Turkey 3-6 Sept. 2007
- Antalya Algebra Days IX, Antalya, TURKEY 22-27 May 2007
- Antalya Algebra Days VIII, Antalya, TURKEY 17-21 May 2006
- Ischia Group Theory 2006, Napels, Italy 29 Mar-1 Ap 2006
- Antalya Algebra Days VII, Antalya, TURKEY 18-22 May 2005
- Groups St. Andrews 2009, St. Andrews, Scotland 30 July-6 Aug 2005
- Antalya Algebra Days VI, Antalya, TURKEY 22-26 May 2005
- Antalya Algebra Days VI, Antalya, TURKEY 19-23 May 2004
- Antalya Algebra Days V, Antalya, TURKEY 28 May-1 June 2003
- Antalya Algebra Days IV, Antalya, TURKEY 22-26 May 2002
- Antalya Algebra Days III, Antalya, TURKEY 16-20 May 2001

**TALKS GIVEN**

---

- Dingin Altgruplar,  
XXII. National Math. Symposium, Matematik Köyü, İzmir, Turkey 31 Aug - 3 Sept. 2009
- Point stabilizers of barely transitive groups and inert subgroups,  
Groups St. Andrews 2009, Bath, England 1-15 Aug 2009
- On Totally Inert Groups,  
Antalya Algebra Days XI, Antalya, TURKEY 20-24 May 2009
- Yalın Geçişken Jordan Gruplar,  
XXI. National Math. Symposium, Koç University, İstanbul, Turkey 1-4 Sept. 2008
- Yalın Geçişken Gruplar,  
XX. National Math. Symposium, Atatürk University, Erzurum, Turkey 3-6 Sept. 2007

**CURRENT PROFESSIONAL MEMBERSHIPS**

---

- Turkish Mathematical Society (TurkMath)
