SEMINAR ANNOUNCEMENT

“Curves and codes over finite fields”

Speaker: **Ferruh ÖZBUDAK**

(METU)

We present an introduction to curves over finite fields together with some notions from algebraic geometry codes.

DATE: May 28, 2008

TIME: 15:45

PLACE: FEF 223 (Seminar Room)

All interested people are cordially invited. After the seminar, some cookies and soft drinks will be served.
