Note: The form must be submitted with a report that gives summary of the studies conducted up to that date and the plan of study to be conducted in the next semester.

- For the student whose thesis proposal is accepted, the thesis tracking committee convenes twice a year, between January and June and July and December. The student submits his/her written report to the committee members at least one month prior to meeting date. The report gives summary of the studies conducted up to that date and the plan of study to be conducted in the one year thereafter. The thesis study of the student is determined to be successful or unsuccessful by the committee and informed to the graduate school with a minute. The student who is evaluated the committee to be unsuccessful twice consecutively and thrice at intervals.
