### Become a part of global success!

In Top 4 Foundation Universities in THE World University Rankings 2019,

Only Turkish university in US New Mathematic Rankings,

In Top 4 Foundation Universities in THE Young University Rankings,

In Top 4 among foundation universities in THE Emerging Economies Ranking

#### Atılım calls you to learn, share and live life to the fullest. Choose ATILIM to fly to new horizons with your own wings,

ATILIM UNIVERSITY

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

# SCHOOL OF ENGINEERING

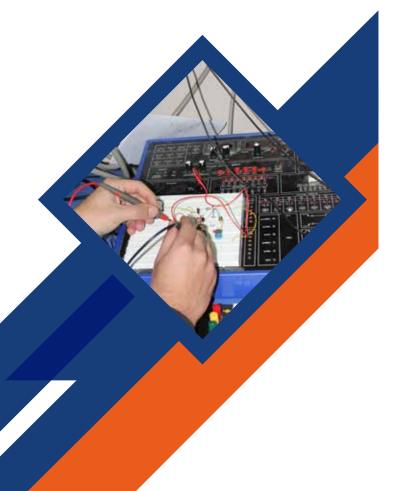

Kızılcaşar Mahallesi 06830 Incek - **ANKARA / TURKEY** T: 0 312 586 80 00 F: 0 312 586 80 91 uniaday.atilim.edu.tr

## If your dream job is Electrical & Electronics Engineering, our department is ideal for you!

- Electrical and Electronics Engineering, as one of the fastest developing engineering fields of our age, covers a wide range of fields from energy distribution to current communication and information technologies.
- With its dynamic faculty, our department aims to train sophisticated electrical and electronic engineers who have a broad perspective and an open mind.
- If you desire an interdisciplinary engineering education that combines theoretical knowledge with practical experience, our department is ideal for you.

## Choose ATILIM for Electrical and Electronics Engineering!

- A modern curriculum in English, the universal language of technology, enriched with equal emphasis on education and research
- A wide range of interdisciplinary elective courses
- Accredited by MUDEK for 5 years
- Supports theory with practice at
- Electronics and Communication Laboratory
- Electronic and Digital Design Laboratory
- Embedded Systems Laboratory
- RF and Antenna Laboratory and the first Remote Radia Laboratory in Europe
- Opportunity to take part in TAI intern engineering program
- Industry-university connection by means of Cooperative Education Program\*

\*MUDEK: Association for Evaluation and Accreditation of Engineering Programs

\*Cooperative Education combines higher education with business life, and by this means, equips students with both academic knowledge and work experience.

## Job Opportunities

- Public and private organizations producing, transferring and marketing electrical and electronic technologies
- Electronic design, maintenance and repair companies
- Technology institutions designing and producing control systems
- Communication systems companies
