**Atılım
Awaits You!**

Economists feeling the pulse of global economy are raised in this department!

- Candidates interested in economic and social developments around the world are welcome to the Department of Economics.
- The main goal of the department is to educate students as candidates of successful managers and prestigious economists who have an insight into the field of economy.
- Elective courses enrich students' mathematical knowledge and skills and enable them to concentrate on areas of interest in mathematics.
- Designed to develop students' analytical thinking skills with applied education, the department is the right choice for future economists who desire to steer national and the global economy.

Job Opportunities

- You may work in strategy development departments of multi-national companies,
- Decision support units of companies and organizations,
- Cost analysis units,
- Market research companies,
- Finance and banking sector,
- Relevant ministries and public institutions
- Universities.
