**Atılım
Awaits You!**

Become a Progressive Messenger of English!

- The aim of the department is to graduate students who have studied English language and literature in advance level and gained the skills of producing ideas and doing analyses and academic research on literature.
- Throughout their education, our students develop their language, analysis and creativity skills by examining the periods of English literature, literary genres and works.
- In the department, students acquire a strong general knowledge by making comparisons and connections with other literatures.
- If you're excited to get to know different societies and cultures and interested in history and psychology, as well, our department is ideal for you.

Choose ATILIM for English Language and Literature!
