**Atılım
Awaits You!**

If you desire to shape the fashion, take a concrete step at Atılım!

- The Department of Fashion and Textile Design aims to educate designers who are able to produce contemporary, creative and original designs for the textile, ready wear and fashion sector, evaluate pioneering ideas, and knowledgeable about materials and production techniques.
- Our curriculum has been designed in a way that our students can develop their personal characteristics and abilities, and put forward creative and original proposals by considering form, color, material, structure and function.
- If you believe that you can contribute to the development of fashion sector, our department is ideal for you.

Job Opportunities

You may work as a:

- Fashion and textile designer
- Visual presentation and design specialist
- Fashion research and development specialist
- Fashion editor and critic
- Style advisor
- Accessory and costume designer
- Fashion illustrator, or pursue an academic career to raise the designers of the future.

Choose ATILIM for Fashion and Textile Design!

- Student-oriented, practice-based and contemporary education
- Multi-faceted curriculum considering students' professional and personal development
- Sewing and pattern workshops, computer labs and design studios
- Opportunity to meet with designers, manufacturers and clients thanks to fashion shows, exhibitions and projects
- Cooperation with private sector and other universities
- Erasmus+ agreements with European universities
- Opportunity to gain professional experience in the sector via *Cooperative Education Program

*Cooperative Education combines higher education with business life, and by this means, equips students with both academic knowledge and work experience.
