**Atılım
Awaits You!**

If you think you are a candidate psychologist to contribute to scientific knowledge at international level...

- The aim of the department is to raise individuals who are experienced in psychological research and practices and equipped with professional ethics and theoretical knowledge.
- Our department allows our students to take courses in line with their interests and career goals thanks to our wide range of elective courses on sub-fields of psychology.
- If you desire to learn how mental, emotional and behavioral processes of humans are examined in a scientific discipline, our department is ideal for you.

Choose ATILIM for Psychology!

- The first psychology department at the foundation universities in Ankara
- Experienced faculty expert in various sub-fields of psychology
- Accredited by FEDEK*
