

**Yakup Darama, Ph.D.**  
**Assoc. Professor of Hydraulics and Water Resources**  
Atılım University  
Department of Civil Engineering  
06830 İncek, Gölbaşı, Ankara/TURKEY  
yakup.darama@atilim.edu.tr  
Tel: +90 312 586 8347

### PERSONAL

<b>Date of Birth</b>	December 9, 1960
<b>Place of Birth</b>	Çakmak

### EDUCATION

1986-1991	Michigan State University, Civil Engineering (Hydraulics and Hydrology), Ph.D.
1984-1985	Michigan State University, Civil Engineering (Hydrologic Modelling),, M.S.
1978-1982	İstanbul Technical University, Civil Engineering, B.S.

### ACADEMIC POSITIONS

<b>September/2013</b>	Associate Professor, Department of Civil Engineering, Atılım University, Ankara, Turkey
<b>September/2006</b>	Associate Professor, Department of Civil engineering Middle East Technical University, Ankara, Turkey (Part Time)
<b>September/1985- June/1991</b>	Research Assistant, Department of Civil and Environmental engineering Michigan State University, USA

### ADMINISTRATIVE DUTIES

<b>September/1993</b>	Manager, State Hydraulic Works Research Department Hydraulic Laboratory
<b>June/2001- September/2013</b>	Deputy Department Head, State Hydraulic Works

### HONORS&AWARDS

<b>1</b>	Graduation award of top 1% of Civil Engineering graduates in 1982, Istanbul Technical University, Civil engineering Faculty
<b>2</b>	Honor List in 1989 and 1990 of Civil and Environmental Engineering Department, Engineering College, Michigan State University, MI, USA

### RESEARCH INTERESTS

<b>1</b>	Hydrologic Modeling, Hydraulic Modeling, Sediment transport in rivers
<b>2</b>	Groundwater flow modeling

### PROFESSIONAL SERVICE

<b>1</b>	Reviewer, Water Policy Journal
<b>2</b>	Reviewer, Hydrological Science Journal

**PUBLICATIONS1**

14. Darama, Y., "Interaction between surface water and groundwater resources in the presence of a pumping well", *Technical Journal of Civil Engineering Union*, Vol. 7, No. 2, pp. 1167-1185, April 1996.

## CONFERENCE PRESENTATIONS

1

1. Darama, Y., B. Selek, Z. Selek, "Sediment Deposition in Hasanlar Dam Reservoir by Bathymetric Field Studies", Proceedings of the 13<sup>th</sup> International Congress on Advances in Civil Engineering, ACE 2018, 12-14 September 2018, İzmir, Turkey.
2. Darama Y., "Erosion and Sediment Transport Problems in the Harran Plain", Proceedings of the 10<sup>th</sup> International Congress on Advances in Civil Engineering, Middle East Technical University, 17-19 Ekim 2012, Ankara, Turkey, 2012 .
3. Keskin F., **Darama Y.**, "3-D Flood Modeling of the Iluh River in Southeastern Turkey by Using HEC-RAS and HEC-GeoRAS", International Confluence River Flow 2008, 3-5 September 2008, and published in Conference proceedings, Izmir, Turkey.
4. Darama Y. , "Sediment Transport by the Drainage Channels of the Harran Plain in the Southeastern Anatolian Project", Proceedings of the 6th International Congress on Advances in Civil Engineering, Bogazici University, Vol II, pp. 1219-1227, Istanbul, Turkey, 2004 .
5. Darama Y., M.A. Hatipoglu, K. Seyrek, M.A. Kökpınar, "Problems related to Soil Erosion and Sediment Transport in the Şalıurfa-Harran Irrigation Scheme", International Congress in River Basin Management, Vol. I, pp 538-553, 22-24 March 2007, Antalya-Turkey.
6. Darama Y., "Interactions between Stream and Phreatic Aquifer in the Presence of a Pumping Well, Abstract Book of the 2005 Groundwater Summit, National Groundwater Association, pp. 33-34, April 17-20, 2005, San Antonio, Texas, USA.
7. Hatipoğlu, M., and **Darama Y.**, "Hydro schemes in southeastern Anatolian project (GAP)", Proceedings of the 6th International Congress on Advances in Civil Engineering, Bogazici University, Vol II, pp. 1256-1264, Istanbul, Turkey, 2004.
8. Darama, Y., "Hydraulics of the Cine Dam Stepped Spillway Model", Proceedings of XXX IAHR Congress, Theme D: Experiences from Models and Prototypes, pp. 479-487, Thessoliniki, Greece 24-27 August 2003.
9. Darama, Y., M.A. Kökpınar and I. Guler, "Coastal Erosion of the Bafra Plain Near the Kızılırmak Mouth and Protection Structures", Proceedings of XXX IAHR Congress, Theme A: Coastal Protection, pp. 521-530, Thessoliniki, Greece 24-27 August 2003.
10. Darama, Y., "Prediction of Flood Frequencies by Stochastic-Deterministic Hydrological Model", International Symposium on River Flood Defence, Kassel Reports of Hydraulic Engineering, No. 9/2000, Kassel, Germany, 2000.
11. Demiröz E., **Y. Darama**, L. Kuzum, "Determination of the effectiveness of the aerators placed on the spillway discharge channels of the Keban Dam", International Conference on Large Dams (ICOLD), Q.71-R.24, pp. 353-367, Durban , South Africa, 1994.
12. Demiröz E., and **Y. Darama**, "A comparative study between the prototype and laboratory data of the aerators placed on the spillway discharge channels of the Keban Dam", International Symposium on Hydraulic Research in Nature and Laboratory, Proceedings, Vol. 1, p 144-150, Wuhan, China, Nov. 17-20, 1992.

## CITATIONS

Sum of times cited without self-citations (ISI Web of Science):	132
---	-----

## COURSES GIVEN

<b>1</b>	Hydrology
<b>2</b>	Irrigation and Drainage
<b>3</b>	Fluid Mechanics
<b>4</b>	Hydraulic Engineering (Hydromechanics)
<b>5</b>	Urban Hydraulics
<b>6</b>	Hydrology and Water Resources
<b>7</b>	Open Channel Hydraulics

## THESES SUPERVISED

1	PhD Thesis, GIS Integrated Pipe Irrigation Network Optimization, Continuing
2	MS Thesis, "The Importance and Determination of Manning's Roughness Coefficient in Natural Channel by Cowans's Method During Floods", 2014
3	MS Thesis "Optimization of the Atabey Pipe Irrigation Network by Using SUFEN Network Software", Completed on January 10, 2019
4	MS Thesis, "Flood Inundation Damage of the Himreen Dam in Northeast of Bagdad, Iraq by using HEC-RAS", Continuing
