

## Announcements for the PHYS102 Laboratory

- Laboratories will start on 26.10 2020
- Laboratory practice course will be held via Zoom. You are not allowed to attend a laboratory Zoom session if you happen to be late more than 15 minutes. If you want, you can attend another suitable Zoom session.
- Laboratory zoom sessions will be held every 2 weeks.
- During the fall semester 6 experiments will be held.
- Experiments will be performed through a simulation program. Your computer needs to be able to run Java, Microsoft Word and Excel programs.
- After the simulated experiment, you will fill out an experiment report. A PDF version of completed report will be send via e-mail to [atilim.physicsgroup@gmail.com](mailto:atilim.physicsgroup@gmail.com).
- You have to send this document via your e-mail address given by Atilim University (...@student.atilim.edu.tr). Communication and documents sent from other mail addresses (such as Outlook, Yahoo, Gmail, Hotmail, etc.) will NOT be accepted.
- The materials of the related experiment will be shared on Moodle.
- 2 weeks will be given to complete the experiments except for the Exp 1. You will only have 1 week to complete the Exp1.
- You need a scientific calculator during laboratory sessions, during courses and during exams.
- All grades are periodically announced. Keep on checking regularly all your grades from our Website (<https://www.atilim.edu.tr/tr/physics>). Objections are to be considered only at laboratory Zoom sessions.
- Detailed rules about the laboratory part will be announced in the zoom session.
- Laboratory sessions activity schedule is given in the bellow
- If you have any questions, please contact;
