

Work Plan Proposal for Ph.D. Thesis Supervisor/Protocol Changes

This document must be filled out in the cases of the changes in Ph.D. thesis subject and supervisor to be made after successfully completing “Thesis Proposal” course. The document must be submitted as the attachment of former and new thesis protocols with the approvals of student and new thesis supervisor.

Please select the subject of work plan proposal:

- Thesis supervisor change
- Thesis protocol change
- Thesis supervisor and thesis protocol change

Note: In thesis supervisor changes, the new thesis supervisor accepts and declares in advance that there is not any conflict of interest or breach of intellectual property rights with regard to former thesis supervisor and/or former thesis protocol.
