**** A (T) must be written next to the names of Members of the Thesis Monitoring Committee.

- At the end of the examination, the jury decides to accept, to reject, or to request a revision by majority vote, without an audience. The jury decision is then submitted to the relevant Graduate School by the relevant Grad. Sch. Dept. Maj. with a report, within three days the latest. Students whose theses are accepted are deemed to have passed the exam. Students with rejected theses are dismissed from the University. Graduate Degree students requested to revise their theses are to make the necessary amendments and re-defend it before the same jury within three months at the latest. Doctorate Degree students have a maximum of six months for revisions and their second defense session. Students the theses of whom are rejected for a second time are dismissed from the University. Graduate Degree students who receive a rejection may request to receive their non-thesis graduate degree on the condition that they meet the requirements of the relevant non-thesis graduate degree program such as course credit load and project writing. Doctorate degree students who fail their doctorate thesis examination may earn a non-thesis graduate degree upon their request in accordance with Paragraph 7, Article 30. Doctorate degree students must register for their extension semesters.
