

FACULTY OF MEDICINE PHASE III - FALL										
MED319	Instructors: Prof. Dr. Necla TÜLEK, Prof. Dr. Ali ACAR	09.30 - 10.20	10.30 - 11.20	11.30 - 12.20	12.30 - 13.20	13.30 - 14.20	14.30 - 15.20	15.30 - 16.20	16.30 - 17.20	17.30 - 18.20
1	15.09.2022 THURSDAY					Definition of key terms in the immunization process. (Prof. Dr. TULEK). CR:329	Immunologic principles of vaccine development and immunizations. (Prof. Dr. TULEK)CR:329			
2	22.09.2022 THURSDAY					Epidemiology of vaccine preventable diseases-I.(Prof. Dr. TULEK)CR:329	Epidemiology of vaccine preventable diseases-II.(Prof. Dr. TULEK)CR:329			
3	29.09.2022 THURSDAY					History and the impact of vaccines on public health. (Prof. Dr. ACAR). CR:329	History and the impact of vaccines on public health.( Prof. Dr. ACAR). CR:329			
4	06.10.2022 THURSDAY					Vaccine technology .(Prof. Dr. ACAR). CR:329	Classification of vaccines. (Prof. Dr. ACAR). CR:329			
5	13.10.2022 THURSDAY					Vaccine development, testing, licencing, and regulation-I. (Prof. Dr. TULEK)CR:329				
6	20.10.2022 THURSDAY					Development of immunization strategies, Vaccine efficacy, efficiency, impact, coverage-I. (Prof. Dr. TULEK)CR:329	Development of immunization strategies, Vaccine efficacy, efficiency, impact, coverage-I. (Prof. Dr. TULEK)CR:329			
7	27.10.2022 THURSDAY					Vaccine development for emerging infectious diseases-I .(Prof. Dr. ACAR). CR-329	Vaccine development for emerging infectious diseases-II .(Prof. Dr. ACAR). CR-329			
8	03.11.2022 THURSDAY						<b>MIDTERM. CR-329</b>			
9	10.11.2022 THURSDAY					Common vaccines and vaccination schedules-I. (Prof. Dr. ACAR). CR:329	Common vaccines and vaccination schedules-II. (Prof. Dr. ACAR). CR:329			
10	17.11.2022 THURSDAY					Vaccine administration, timing and spacing (Vaccine Administration Technique). (Prof. Dr. TULEK)CR:329	Special situations, altered immunocompetence. Contraindications and precautions.(Prof. Dr. TULEK)CR:329			
11	24.11.2022 THURSDAY					Procedures for receiving, storing, and handling of vaccines-I. (Prof. Dr. ACAR). CR:329	Procedures for receiving, storing, and handling of vaccines-II. (Prof. Dr. ACAR). CR:329			
12	01.12.2022 THURSDAY					Vaccination records,Vaccine adverse effects.(Prof. Dr. ACAR). CR:329	Preventing and managing adverse reactions to immunization. (Prof. Dr. ACAR). CR:329			
13	08.12.2022 THURSDAY					Vaccine hesitancy, cultural perspectives on vaccination.(Prof. Dr. TULEK)CR:329	Strategies for improving immunization rates. Communicating with patients.(Prof. Dr. TULEK)CR:329			
14	15.12.2022 THURSDAY					Cancer vaccines and immunotherapy-I.(Prof. Dr. TULEK) CR:329	Cancer vaccines and immunotherapy-II. (Prof. Dr. TULEK)CR:329			
15	22.12.2022 THURSDAY					The future of immunization-I. (Prof. Dr. ACAR). CR:329	The future of immunization-II. (Prof. Dr. ACAR). CR:329			
16	29.12.2022 THURSDAY					<b>FINAL EXAM</b>
